## Senate Bill No. 477

## CHAPTER 730

An act to add Article 9 (commencing with Section 35580) to Chapter 3 of Part 21 of Division 3 of Title 2 of the Education Code, relating to school district reorganization.

[Approved by Governor September 28, 2012. Filed with Secretary of State September 28, 2012.]

## LEGISLATIVE COUNSEL'S DIGEST

SB 477, Wright. School district reorganization: bonded indebtedness: Wiseburn Unified School District: Centinela Valley Union High School District.

(1) Existing law specifies the manner in which bonded indebtedness of a school district on general obligation bonds is reallocated among school districts when school districts are reorganized.

This bill, notwithstanding the provisions above, would specify the manner in which the liability for taxation, the bonding capacity, the permitted use of existing bond proceeds, and the allocation of authorized but unsold bonds of the Wiseburn Unified School District and the Centinela Valley Union High School District would be determined upon the reorganization of the Wiseburn School District and the Centinela Valley Union High School District by the formation of the Wiseburn Unified School District and the termination of the Wiseburn School District. The bill also would authorize the Local Public Schools Funding Authority, a joint powers authority created by the Wiseburn School District and the Centinela Valley Union High School District or the Wiseburn Unified School District and the Centinela Valley Union High School District, to issue bonds pursuant to laws governing the issuance of school facilities construction bonds by school districts. To the extent that these actions would cause local taxing authorities to perform additional duties, the bill would impose a state-mandated local program.

(2) Existing law requires plans and recommendations for the reorganization of school districts to include a computation of the base revenue limit per unit of average daily attendance.

This bill would set forth a calculation by which to determine the blended revenue limit per unit of average daily attendance for the Wiseburn Unified School District.

(3) Existing law sets forth the procedures for the reorganization of school districts.

This bill would authorize a pupil residing in the Wiseburn Unified School District who is eligible to attend any of grades 9 to 12, inclusive, to attend the Centinela Valley Union High School District without an interdistrict

Ch. 730 — 2 —

attendance agreement if the Centinela Valley Union High School District accepts that pupil for attendance.

- (4) This bill would make legislative findings and declarations as to the necessity of a special statute for the Centinela Valley Union High School District and the Wiseburn School District.
- (5) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

The people of the State of California do enact as follows:

SECTION 1. Article 9 (commencing with Section 35580) is added to Chapter 3 of Part 21 of Division 3 of Title 2 of the Education Code, to read:

Article 9. Formation of the Wiseburn Unified School District, Bonded Indebtedness, and Revenue Limit

35580. Notwithstanding Article 8 (commencing with Section 35570), this article shall apply to the reorganization of the Wiseburn School District and the Centinela Valley Union High School District by the formation of the Wiseburn Unified School District and the termination of the Wiseburn School District. This article determines the liability for taxation, the bonding capacity, the permitted use of existing bond proceeds, and the allocation of authorized but unsold bonds of the Wiseburn Unified School District and the Centinela Valley Union High School District, and applies to the activities of the Local Public Schools Funding Authority, a joint powers authority created by the Wiseburn School District and the Centinela Valley Union High School District or the Wiseburn Unified School District and the Centinela Valley Union High School District.

- (d) In recognition of the authority for Centinela Valley Union High School District to continue levying property taxes on taxable property located within the Wiseburn Unified School District for repayment of bonds approved by voters before January 1, 2012, beginning on the effective date of reorganization of the Wiseburn School District by the formation of the Wiseburn Unified School District, the Centinela Valley Union High School District shall transfer to the Wiseburn Unified School District an amount equal to four million dollars (\$4,000,000) from the proceeds of the sale of bonds approved by voters on November 2, 2010, and issued after January 1, 2012. The transfer shall be made from the proceeds of the sale of the first series of bonds issued after January 1, 2012, unless the Centinela Valley Union High School District elects to allocate the transfers to more than one series of bonds, in which case the transfers shall aggregate to the amount of four million dollars (\$4,000,000). Proceeds transferred pursuant to this subdivision shall be expended by the Wiseburn Unified School District for purposes consistent with the original voter authorization for the bonds.

- (d) If the Local Public Schools Funding Authority created by the Wiseburn School District and the Centinela Valley Union High School District, or the two surviving districts, acting together pursuant to the Joint Exercise of Powers Act (Chapter 5 (commencing with Section 6500) of Division 7 of Title 1 of the Government Code), maintains outstanding bonded indebtedness issued pursuant to Chapter 1 (commencing with Section 15100), Chapter 1.5 (commencing with Section 15264), or Chapter 2 (commencing with Section 15300), of Part 10 of Division 1 of Title 1, the bonded indebtedness shall be allocated to the Wiseburn Unified School District and the Centinela Valley Union High School District, respectively, for purposes of the calculation of debt capacity pursuant to the bonding limits set forth in subdivisions (a) and (b), in proportionate amounts calculated based on the assessed value of taxable property within each respective school district securing repayment of the bonds.
- (e) This section does not prohibit the Wiseburn Unified School District or the Centinela Valley Union High School District from seeking a waiver pursuant to Article 3 (commencing with Section 33050) of Chapter 1 of Part 20 of Division 2 or any other similar law of the bonding limits of this section or any other applicable statutory bonding limit.
- 35583. For purposes of paragraph (1) of subdivision (a) of Section 35735.1, the blended revenue limit per unit of average daily attendance for the Wiseburn Unified School District shall be calculated as follows:

- SEC. 2. The Legislature finds and declares that a special law is necessary and that a general law cannot be made applicable within the meaning of Section 16 of Article IV of the California Constitution because of the unique nature of the reorganization of school districts involving the Centinela Valley Union High School District, the Wiseburn School District, and equitable access to the commercial and industrial assessed valuation of property in those school districts.
- SEC. 3. If the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.
